PRESS RELEASE

Powers Resource Center to Speak on Virtual Teams at HBA Annual Conference in November 2019

Boulder, Colo., June 27, 2019 – [Powers Resource Center](#), a Boulder-based employee engagement, talent development and leadership training company, is excited to announce that it has been chosen as a featured speaker on the rise of virtual teams at [HBA's Annual Conference](#) on November 11-12 in San Diego, CA. HBA is the Healthcare Businesswomen's Association and its mission is to further the advancement and impact of women in the business of healthcare.

Under the presentation title of "All Aboard! The Virtual Team Train Has Left the Station...Are You (and your teams) Ready?," attendees will learn about the growth of [virtual teams](#) and the importance of recognizing the unique challenges of virtual teams and the value of ongoing training and support to realize the benefits of virtual teams.

"Virtual teams and remote work are the biggest transformational factors in the workplace today – and the healthcare industry is no exception," said Tara Powers, CEO for Powers Resource Center. "We are thrilled to be able to share our research, knowledge and best practices on virtual teams with the leading women in healthcare at [HBA's annual conference](#). We believe it is vital information for all leaders and teams in the modern workplace."

Powers Resource Center is the industry expert on this topic. Its CEO, Tara Powers, is the foremost thought leader on virtual team best practices, key challenges and she has been training [virtual teams](#) for many years. She conducted the most recent and relevant research on this topic and is the author of '[Virtual Teams for Dummies](#).'
